Competitions for June:

MODELS--- WEATHERED/DAMAGED PASSENGER CARS (NOTE: these cars would still be in passenger service as opposed to being designated as MOW, etc.).

PHOTOGRAPHY---RAILROAD STATIONS and/or FREIGHT HOUSES (these can be “out of service” but must still look like the structure...an example could be a Railroad Station that is now a restaurant or a Freight House that is now a storage warehouse. Of course, ones still active are also “legal”).

Jack Laubisch,
Competition Chairperson
NMRA, MCR, Div. 7

P.S. Each month I have been posting a laminated copy of the rules for our local competition, as outlined by the BOD of Div. 7, on the contest table/s. Hopefully this posting will help you should you have any questions.
