NOTE: We had posted in the *Oil Can* several months ago, that should a cancellation occur---for *any reason*, we would then “double up” the contest the next month a meeting was to be held. I hope this didn’t inconvenience anyone and I’m sorry I could not make this meeting (and therefore chair the competition), but as I had told Randy about 3 weeks prior to the June 27<sup>th</sup> meeting, I was in Dayton at the Rail Fest selling Laubisch Photos---I got to make a living too!

**Competition for September, 2010:** MODELS---Maintenance of Way Rolling Stock  
PHOTOGRAPHY---Passenger Trains

An FYI reminder: as I outlined at the meeting, the contest/competition held by the newly-formed sub-group of Div. 7 will not be associated with, nor affect the results of, our regular Div. 7 contest/competition.

Jack Laubisch,  
Competition Chairperson  
NMRA, MCR, Div. 7

P.S. Each month I have been posting a laminated copy of the rules for our local competition, as outlined by the BOD of Div. 7, on the contest table/s. Hopefully this posting will help you should you have any questions.
