Chairperson's Note #1: we're starting to see numerous members entering the competitions---GREAT!!!---and look at the quality of the models and/or photography!!!

Chairperson's Note #2: my congratulations to a "recently joined" member, Michael York, for achieving first place in one of the model categories...and my most HUMBLE APOLOGIES for my being a "klutz" and knocking one of his cars onto the floor He was most gracious as we picked up the many pieces (which leads me to remind EVERYONE: please, PLEASE don't handle someone else's "stuff" during the competition---the only part of this which I am grateful for is that it dropped AFTER the voting had taken place) Thanks again, Michael
