NOTE: As per the announcement from Randy Kerka at the Aug. meeting, Competition for Sept., 2011 has been moved (will be held along with the Oct. Competition) to Oct. As I understand, we are to have a short business meeting followed by a number of local layout tours, thus we won't have time for the contest; however, in Oct. the **SEPT.** Competition for MODELS: Vehicles (they must be related to a Railroad and have the name of that railroad on the side...ex: MOW truck with B & O or Speeder with C & O. PHOTOGRAPHY: Black and White shots of Diesels and/or Steam Locomotives. Then for Oct. (of course also held in Oct.) in the MODELS: Bring-n-Brag---Freight so bring them and brag some on how you built them---hopefully, we will cover you video graphically (as we did both times last year when this event was held). PHOTOGRAPHY: Trains on Trestles/Bridges.
