Guided tour of restored tower, station and HO layout  
See heavy prototype action on 6 mainline tracks!

### **Single Departing Location: Mason, Ohio**

Exact location disclosed later only to registrants  
Park at own risk - Provide car and license info below

### **View Five Premier Model Railroad Layouts!**

Four nicely scenicked HO layouts and a huge O scale layout  
within the Buckeye Division 6, Mid-Central Region, NMRA

### **Fantastic Inspirational Day for a Great Price!**

Deluxe motor coach transport, scenic roads, bottled waters  
Experienced guides, Panera Bread deluxe box lunch

**Dick Wagner** – huge recently enlarged 2 rail O-scale empire set in the steam-diesel transition era, featuring many New York Central trains and locomotives across lots of track, scenicked in old basement, incredible new mileage in new basement

**Gerri Doebelin** – rare visit to exquisite HO layout inspired by Colorado narrow gauge prototypes, featuring large number of beautiful wood craftsman structures (almost every Campbell Scale Models kit) with geared, rod and articulated steam locos

**Howard Smith, MMR** – very nice, nearly completely scenicked, HO representation of the 1953 Sandpatch Division of the Baltimore and Ohio, featuring meticulous construction, realistic operations, signals, dispatch console, helpers and staging

**Dick Briggs, MMR** – huge mostly scenicked HO version of PRR's Pittsburgh, Youngstown & Ashtabula Branch, set in the 1950's, featuring many scratch or kit-bashed structures including Ashtabula coal and ore docks, large steel mill, 6 ft lake boat
